EASY – DOSE LARGE

Physical Properties

Description:	Off white solid tablet with slight halogen odour.
Hazardous Ingredients:	1-Bromo-3-Chloro-5,5-Dimethylhdantoin [16079-88-2]
Specific Gravity:	Not available
Boiling Point:	Not available
pH:	Not available
Water Solubility:	Soluble

Fire & Explosion Data

Flash Point:	Not Flammable
Flammability:	Not Flammable. If fires fuelled by other materials, may release Hydrogen Bromide or Bromine.
Extinguishing Media:	Water. Do Not use Ammonium Phosphate extinguishers.

Health Hazard Information

Ingestion:	Do not induce vomiting, give water to drink. Seek medical advice.
Eyes:	Hold eyelids open and wash eyes with running water for 15 minutes.
Skin:	Remove contaminated clothing and wash skin with soap and water.
Inhalation:	Remove person to fresh air and seek medical advice.

Reactivity

Do not mix with organic chemicals and any other oxidizing materials or strong reducing agents.

Spills & Leaks

Wear respirator with pre filter and sweep powder and tablets into clean sealable containers, then flush residue to sewer with large quantities of water. Keep combustible material away from spills.

Personal Protective Equipment

Chemical goggles, PVC gloves and lightweight overalls should be worn. When dusting occurs wear a respirator. Wear clothing designed to minimise skin contact.

Storage & Handling

Store in tightly sealed container in a cool, dry, well ventilated area away from foodstuffs and other chemicals. Keep out of reach of children. BCM-X tablets should not be allowed to contaminate food by storage or disposal. Open dumping is prohibited.
