

Patton India participates in ACREX 2011 Exhibition.

ACREX 2011 is India's major exhibition for HVAC&R industry, now being held every year by rotation between New Delhi, Bangalore and Mumbai cities. This year's exhibition at New Delhi from February 24th to 26th was not only the biggest Acrex so far but also one of the best arranged. This event was handled by Indo German Chamber of Commerce for ISHRAE / ASHRAE – Indian chapter who is the organiser. Total exhibition was spread in 7 different halls and more than 50,000 visitors covered this exhibition during three days.

Patton India had a booth of 87 sq.mtr which was almost 10 times bigger than the booth taken by Patton India during its' first time at ACREX 3 years ago.

At Patton booth not only Patton capital equipments were displayed but entire range of products which is distributed in India by Patton like Embraco, Dorin, Uniweld, Appion, Supco, Fieldpiece, Mueller, Suniso, Henry, Evco was on display.

Technical and senior sales people from our all principals were with us at our booth attending to various queries from the customers. Sameer Handa, CEO for Patton Group was also available all the 3 days for this exhibition.

On 25th Feb a special Patton Evening was held at Hotel Connaught which was attended by more than 50 of our key customers from all over India & international suppliers. After the exhibition a visit to **Agra** was arranged for a group of overseas suppliers who were visiting India for the first time. They stayed in Agra for the night and early morning visited TAJ MAHAL – one of the Seven Wonders of the World.

Next Acrex will be held in Bangalore during Feb 2012.
